Zonta Club of Naples Website
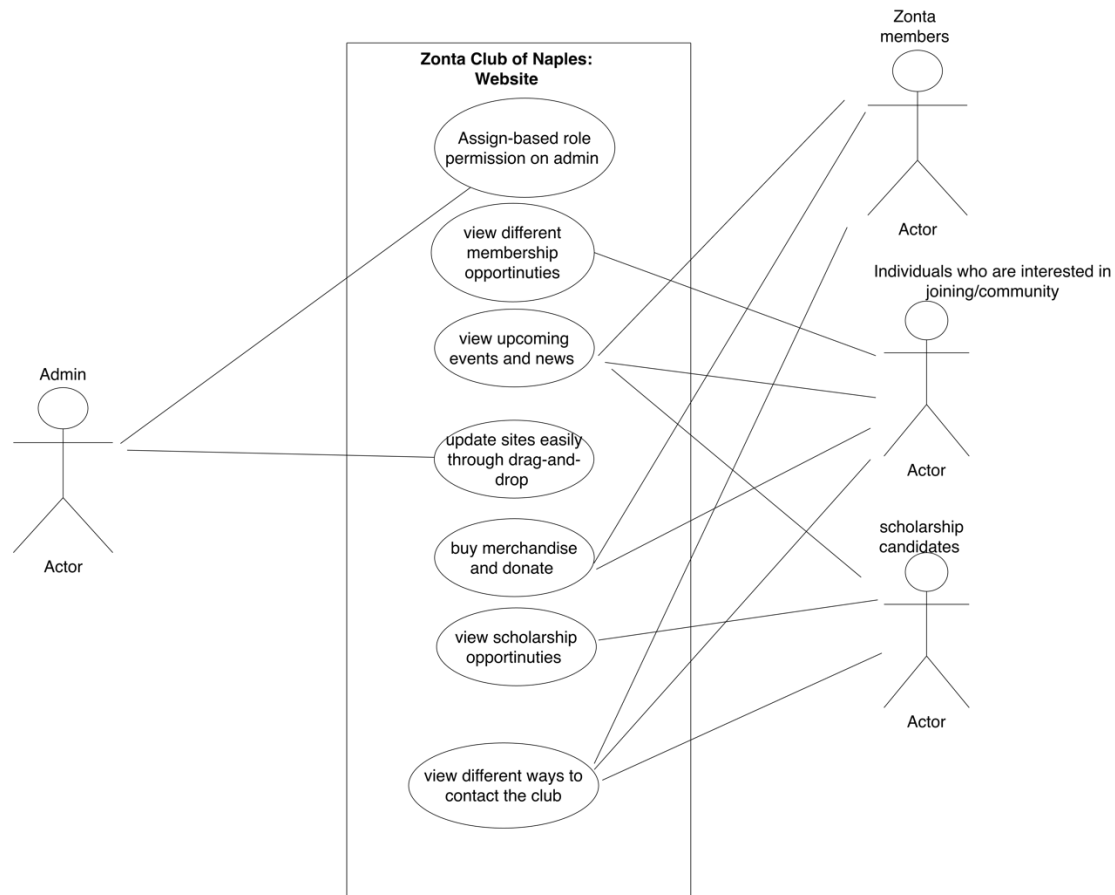

Emmanuela Fleurant

Objectives

Problem

The current website is outdated and does not meet the needs of the club or its members.
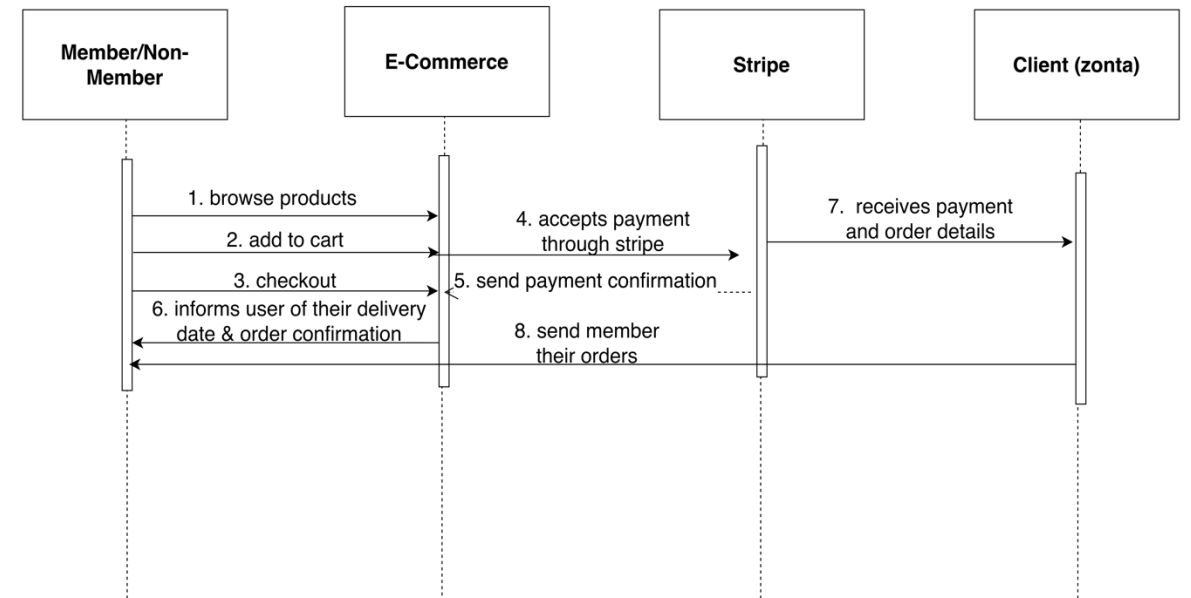

Objective

The objective is to create a simple and easy-to-use website for the Zonta Club of Naples. It should include the current pages on the website and a new feature/page which will include an E-Commerce, where users can buy merchandise and donate. The admin side should be able to be used without technical skills.

Design

Use case and sequence diagram

Implementation

Front-end
- React
Back-end
- Node.js
and Express

Third party software
-Stripe (handle
payments)

**Hosting and
Deployment**
-GitHub – Used for
version Control and
deployment

Outcomes

- https://github.com/emmafleurant/zonta-of-naples-website
